## ***Head's Update...***

Dear Parents and Carers,

It seems strange that it has taken until today for our first newsletter, due to the mourning period for the late Queen Elizabeth.

Today is quite exciting as we await our new goals and basketball hoops to be fitted to the playground – I know the children are quite excited to use them!

We have updated our school website to include our curriculum plans for all our subjects for the year for your children. Please feel free to have a look and see what is coming!

Our Knowledge Organisers section is also a great tool for you to know what knowledge and vocabulary we are sharing with your children this year. All information is under our Parents Tab / Curriculum.

Please see our diary dates on the next page, particularly for Parents Evening. Staff will shortly be taking bookings for these.

Best wishes,

*Connel Boyle*

*All of our new children in reception class have made a flying start to school.*

*We are only in our third week back, but it seems like they have all been here for years!!!*
