## ***Head's Update...***

Dear Parents and Carers,

I am so proud to have been able to launch our new school vision with you all. You will have seen the new signs and posters around the school. We have our full document on our website. You can view via this link:

<https://stmaryandstpeters.co.uk/vision-and-values/>

We have created this vision as an ambitious 10-year plan for both of our schools... please have a read and do pass us any feedback.

I am also pleased to report that last week we received our Three Yearly Standards and Testing Agency monitoring of writing assessments for Oak Class. Our planning, assessments and staff knowledge all passed inspection with flying colours.

Our new knowledge-based curriculum also came in for praise as we evidenced how we used first hand experiences, trips, key vocabulary and concepts for all subjects and used this knowledge base for our children in their writing... who are now writing with confidence.
