Head's Update...

Dear Parents and Carers,

I wanted to thank the many of you who have come to see me this week regarding protecting our children online. Our new **Online Safety Newsletter** has had really good feedback from lots of you. Several parents have also thanked us for the NCA warning letter we sent this week, warning of the criminal online sexual extortion of children.

In the past, many used to think of Online Safety as preparing our children for High School. The world has changed. **The youngest victim in this criminal extortion was just 5 years old.**

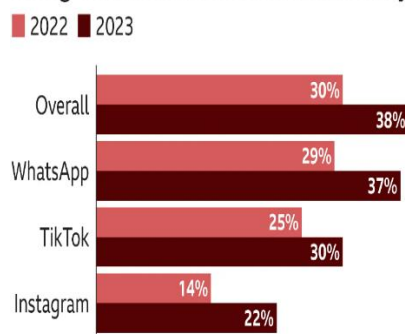

I have included a table to show how social media use is increasing for children aged 5 - 7 years old. The age of young children makes them even more vulnerable to abuse. All I ask you to consider is, **does your child actually need a smartphone?** Are you aware of the risks... if not please come and see me as many parents have, helping you to make informed decisions.

Best wishes,
Connel Boyle

School Uniform

We do understand that sometimes wearing full uniform is not always possible. However, we are starting to see no items of school uniform being worn.

We have always taken a relaxed approach to uniform, so we ask that you support us in this.

Today we will have table outside with free uniform, all washed for anyone to take who wants extras.

Our thanks in advance for your help on this.
