## Head's Update...

Dear Parents and Carers,

Our Parents Evening will take place on Wednesday 18<sup>th</sup> May. Our teachers will be out next week with booking forms for you all.

### Covid Guidance Update

Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.

Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.

Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious.

**For children and young people aged 18 and under, the advice will be 3 days.**

Best Wishes,

*Connel Boyle*

Executive Headteacher

Spring Watch comes to St Mary and St Peter's

Over the past few weeks, a pair of Blue Tits have been observed gradually building the nest and placing soft materials inside our bird box.

The children and Mrs MacKay have named our parent birds Belinda and Bryan!

This week... we think, 6 fledglings have appeared! Bryan has been observed constantly feeding his family all week. Our research has taught us Bryan will catch around 100 insects a day to feed the fledglings!

In the future, one of our children could be inspired to become the next David Attenborough or Chris Packham and we hope that by watching our eggs hatch and new life being nurtured, this will be something our children remember forever.

## Where is the Gruffalo?

Last week we launched our new topic the Gruffalo for our Infants in Ash Class. On Tuesday the children received news that all of the characters from the story had escaped the book. The children went on a hunt around the school environment looking for the different characters. Unfortunately, the Owl had gone missing! The children spent time creating posters, a house and some food to encourage the owl to come back. We are all very excited to find out what will happen next!
