Head's Update...

Dear Parents and Carers,

Thank you all for a wonderful half term. I am pleased to report that we have not had any confirmed cases of Scarlett Fever for over 2 weeks now. The infectious period is three weeks, so with half term, we hope to have now broken the chain of children and staff falling ill.

Can I also thank the parents who have updated our Measles vaccination records as requested. This will help in the future should we have this condition enter Somerset in the future.

I wish you all a lovely half term week, next term we have our Knowledge Assemblies and Parents Evenings to look forward to.

Best wishes,

Connel Boyle

What was your child's attendance for the Autumn term?

Your child's Attendance	How many days your child has fallen behind their friends...	If your child is regularly late by...	Over a year, your child has lost...
100%	0 Days	5 minutes...	3 DAYS LOST
95%	9 DAYS BEHIND	10 minutes...	6.5 DAYS LOST
90%	19 DAYS BEHIND	15 minutes...	10 DAYS LOST
85%	28 DAYS BEHIND	20 minutes...	13 DAYS LOST
80%	38 DAYS BEHIND	25 minutes...	19.5 DAYS LOST

Your child will never catch up this learning. As a school we can only make up missed learning for between 5 and 9 days a year. We do try, but cannot work miracles!
